#### HURRICANE PROTECTION

Our impact windows protect from hurricane-force winds and flying debris.

#### CONVENIENCE

Your home is hurricane-ready the minute WinGuard® windows and doors are installed.

#### NOISE REDUCTION

Peace and quiet come standard with WinGuard®, with an up to 65% reduction in ambient noise.\*\*

#### UV PROTECTION

WinGuard® products have a special interlayer that filter out 99% of UV rays to keep your home furnishing from fading.

#### SAVINGS

New windows from PGT® can lower energy bills and insurance premiums while increasing the value of your home.

#### SECURITY

Impact-resistant windows and doors don't just protect against hurricanes — they can also deter would-be intruders to keep your family safer.

\*Rebate offer applies to WinGuard® Aluminum and Vinyl windows and doors. Minimum order of five windows or doors required. Offer applies only to residential homeowners. Rebates submitted by contractors or other trade professionals will not be honored. Orders must be placed between June 1, 2020 to July 17, 2020.

\*\*Sound reduction percentage is based upon the WinGuard(R) Aluminum Picture Window's (PW7720A) OITC rating compared to a single-pane window with an OITC rating of 19. Actual results may vary.

\*\*\*2019 Builder Brand use report.
